

Newport Parent Network

Families Affected By Imprisonment.

It can be difficult for families who are affected by imprisonment - so many things to cope with, so much juggling and changing of routines.

If you would like to attend this group to meet with other families living in a similar situation and to seek advice and support please contact the Parent Participation Officer

The group is to have its first meeting on Thursday 10th March at St John's Ambulance building, Lyne Road, Newport NP20 5HU (just off the Harlequin Roundabout, next to McDonalds)
