

Teacher in Charge of Home Economics – Mrs R Fudge

Child Development

What will pupils gain from this subject?

This course is designed to give candidates an opportunity to extend and apply their skills, knowledge and understanding of the development and care of children from conception to the age of five years. It promotes an understanding of the social, emotional, physical and intellectual development of the child which is inter-linked through the study of the family, community and the responsibilities of parenthood.

The Content of Key Stage
