

# **Governors' Report to Parents**

**ACADEMIC REPORT (full)**

**2017 - 18**

Dear Parents and Carers

This academic year has been a particularly busy one. We welcomed a new Headteacher Ms. T Jarvis in late July to complete the new senior leadership team and this has ensured that a number of significant new developments could take place to improve the punctuality, attendance and behaviour of our students.

Estyn inspected the school in January 2017 and we welcomed their findings that matched our own evaluation of strengths and areas for development. Estyn recognised that a number of new initiatives had been started and we are due to welcome them back again later in the academic year. I am confident that Llanwern High will steadily go from strength to strength given the new vision we have for the school and its students.

Summer 2018 saw some of our students leave us and go onto further education and we wish them every success in their chosen University/College's. They have benefitted from the superb facilities and we are proud of them both academically and personally. We have had significant sporting, creative, acting and musical achievements alongside success in activities such as the Combined Cadet Force and Duke of Edinburgh Awards.

Education is an ever-changing process in which we must all play a part. As Chair of the Governing Body I am able to witness the commitment of everyone involved and I wish to record my sincere appreciation to my colleagues on the Governing Body, the professionalism, dedication and ceaseless energy of the staff (both teaching and non-teaching) and the invaluable support provided by the parents/carers.

We wish all our leavers every success in their future careers but are delighted that we have been able to welcome some new, young, energetic staff to teach, motivate and support our young learners. However, it is the students who are at the centre of everything we do and it is to those that I must express my thanks for their continued efforts and achievements that make everything worthwhile.

**Cllr Debbie Harvey**  
**Chair of Governors Llanwern High**

### **Election of Parent Governors**

When a vacancy arises on the Governing Body for a parent representative, the Local Authority will inform all parents of the vacancy and will make the necessary arrangements for the consequent election. Every parent of a registered pupil at the school will be entitled to stand as a candidate and to vote at the election, and will be given the opportunity to do so. Each parent will be provided with a letter via pupil post, which will indicate eligibility to stand, nominate and vote in elections and which will include a nomination form which provides for a proposed nomination, seconder, acceptance of nomination and any personal statement the nominee wishes to offer, to be returned to the school concerned by a set date. Elections will be by secret ballot.

Election of parent governors took place in the Autumn term 2018, with another planned for the summer term 2019.

### **Annual Parents' Meeting**

There were no meetings held during the course of this year. Should any parents wish to request such a meeting please contact Mrs R Dobson at the school where further information will be provided.

### **Parental Petition Meeting**

No meetings were held under Section 94 of the Schools Standards and Organisation (Wales) Act 2013.

### **Pupils**

The Governors are pleased to note the continued successes that our pupils achieve in all aspects of school life and this augurs well for their future. They are on the whole enthusiastic, pleasant in demeanour and anxious to benefit from the many opportunities that are on offer in the school.

There are 857 pupils on roll at present (January 2019). The school numbers per year group are as follows:-

YEAR 7	171
YEAR 8	141
YEAR 9	146
YEAR 10	157
YEAR 11	148
YEAR 12	56
YEAR 13	38

**TOTAL**

857

**Pupil Attendance 2017-18***As at May 2018*

Attendance	88.7%
Authorised Absence	6.8%
Unauthorised Absence	4.5%

We are looking to work on a target for 2018/19 of 90.2%.

**Pupil Records**

Pupil reports are kept electronically on our SIMS system and all pupils have a personal record folder which is available for inspection as required.

The main language of the school is English.

### **School Build**

Our building and state-of-the-art facilities continue to allow students to learn in a modern environment. The school has cashless catering facilities on the ground floor and in the Sixth Form Common Room and unisex wash facilities and toilets on all levels (including disabled facilities). Cleaners are based in the school and facilities are cleaned at regular intervals during the school day.

### **Sporting Programme**

During 2017-18 the school was recognised as the Education and Training Partner to Newport County Football Club. This past year pupils have represented the school in a wide variety of sports obtaining town, county and international honours.

The school currently has a football and basketball academy. The school continues to increase its sporting provisions and after school netball, dance and gymnastic groups are also proving to be a big success and are increasing girls' participation in sport.

### **Religious Worship**

Assemblies are held regularly. They are non-denominational and reflect the broadly Christian ethos of the school. The emphasis is on the development of moral and spiritual values. It is not the intention to create belief but rather to foster a sense of awe and respect. Parents have the right to withdraw their child, but this option is rarely exercised.

### **Religious Studies**

The school is not affiliated to any particular religion or religious denomination. All pupils throughout the school receive lessons in Religious Studies in accordance with the 1989 Education Act. The various courses offered are the result of careful consideration. They are structured, informative and seek to develop knowledge, understanding and a confident, critical response on the part of the pupils. There is an emphasis on world faiths and belief responses in Key Stage 3, giving way to a broader, moral approach in KS4. It is seldom that children are withdrawn from lessons by parental request, although that right exists. In addition Religious Studies is offered as an examination subject at GCSE and 'A' level.

### **Sex Education**

The school's sex education policy provides an understanding that positive, caring situations are essential for the development of a good self-image and that individuals are in charge of, and responsible for, their own bodies. It encourages the acquisition of skills and attitudes which allows pupils to manage their relationships in a responsible and healthy manner.

As well as facilitating communication about sexuality, sex education raises awareness of self and sensitivity to others and develops respect for self and others. It equips pupils to take

responsibility for their behaviour in personal relationships, make informed choices in that area and stresses the development of loving relationships within the context of a stable family life.

Sex education is delivered as part of the Personal Social and Health Education (PSHE) programme. A range of teaching materials are used over the five year course from literature and video material to trained expert outside speakers, whose contributions are consistent with statutory requirements.

Parents have the right to withdraw a pupil, wholly or partly from receiving sex education at the school, except when such education is part of the National Curriculum. Any parent who wishes to exercise this right should inform the Headteacher at the school. If parents have concerns about specific aspects of sex education or need further information before making a decision about withdrawal from lessons, they should discuss their concerns with Mrs A Davies, Deputy Headteacher.

### **Welsh**

Welsh is taught as a second language to every student in Years 7-11 meeting our statutory requirements. Teacher use basic Welsh across the school to address and praise pupils. The school promotes a 'Phrase of the Week' and encourages all staff to use this as frequently as they can.

### **Healthy Eating**

The school is part of the Welsh Network of Healthy School Schemes, this is a national network of local healthy schools which supports with the promotion of good health. The scheme is a Welsh Government Programme managed by Public Health Wales. During 2015-16 Llanwern completed phase 4 of the scheme and is currently working on phase 5.

Catering facilities at Llanwern are outsourced to Chartwells, the standards of nutrients available in the school's weekly lunch menu and the standards of the food meets all healthy eating requirements.

Several water fountains are available across the school for pupils to use throughout the day.

### **Disabled Pupils**

The new school meets the needs of all pupils.

### **Additional Educational Needs**

The school has an Additional Education Needs Policy, which encompasses the framework of identification, assessment and provision for pupils with additional educational needs. The school has adopted the Code of Practice as advised by Newport City Council Education Authority. Miss L Pearse is the school's Additional Educational Needs Co-ordinator (AENCO).

### **Work Related Education (WRE)**

Career advice is provided by the Local Careers Service and a programme of visiting speakers. Within the WRE Guidance Programme all pupils are taught to examine their strengths and weaknesses, their likes and dislikes, their subject choices and their attainment and achievement. Their examination of self encourages them to develop and build upon an on-going School Action Plan that aims to prepare them for future career choice as well as for lifetime learning.

All Year 11 pupils are interviewed by careers officers from the local Careers Service who together with Head of Year and the SLT member in charge of careers education and guidance, advises them on the job market, on training and on further education.

Sixth Formers receive specific advice from the Teacher in Charge of Sixth Form. Sixth former are encouraged to take part in University 'Open Days' as well as Higher Education Seminars.

### **Community & Police Links**

The school boasts incredible state-of-the-art facilities which include Sports Hall, Dance Studio, Jampod Room and 3G Pitch which provides amazing opportunities for people in the community. During 2017-18 the school facilities were used by Newport County Football, Newport Rugby, Newport Netball, Gwent Basketball and Atlanta Netball Clubs as well as local football clubs including Spencer Boys and Cromwell. Smaller clubs such as dance, netball, fitness and gymnastic clubs also used our facilities in the evenings and on weekends. The school runs many community events including whole school drama productions and carol concerts.

One of the core principles of the school is that it is intended to be at the heart of the community. The school provides not only pupils, but parents, community groups and sporting organisations with fantastic learning, sporting and life enhancing experiences.

We have a school liaison police officer, who delivers part of our PSE programme and we also work with the local PCSO's to establish even closer links between the school and the community.

### **School Prospectus**

There has been no changes to the school prospectus.

**Complaints Procedure Regarding Curriculum Matters**

The Governing Body has decided to adopt the complaints procedure outlined by the Director of Education relating to curriculum matters. A copy is available at the school or on the school website [www.llanwernhighschool.co.uk](http://www.llanwernhighschool.co.uk)

**Finance**

Our financial statement for year ended March 2018 is overleaf, showing how our school budget was used.

The school now maintains a register of gifts and interests and their usage. We have historically had very few gifts of a large nature and gifts are mainly used as prizes for raffles/events etc. to raise funds for the school and to help raise awareness of the school. Any that are offered in the future will need to be approved by the Headteacher and recorded in the register.

No Governors claimed expenses for travel and subsistence for the period.

Information regarding pupil destinations is not released until April 2019. This report will be updated when this information is available.

**STRATEGIC AIMS 2017 - 18**

1. **Leadership for Learning:** Effective Leadership is exercised at all levels within the school community and supports sustainable school improvement. Leaders are passionate about delivering our vision, guided by our values. Central to this is the relentless commitment to excellent teaching.
2. **Attendance for Learning:** Student attendance is above family of schools and National.
3. **Behaviour for Learning:** Students are ready to learn and as ambassadors for Llanwern.
4. **Engagement for Learning:** Provide a rich curriculum with local & global dimensions that supports progress and achievement, in line with Successful Futures.
5. **Wellbeing for Learning:** Ensure pupils are healthy, happy and ready to learn, and that all members of the community are proud to be a part of Llanwern High School.

**ESTYN RECOMMENDATIONS – April 2017/18**

R1	Raise standards and improve pupils literacy and numeracy skills
R2	Improve behaviour and attendance
R3	Improve the quality of teaching and assessment
R4	Strengthen provisions for more able pupils' and for the progressive development of all pupils' literacy and numeracy skills
R5	Increase accountability at all levels and strengthen performance management procedures
R6	Improve the accuracy of self-evaluation and planning for improvement

There was an ESTYN revisit in April 2018 which recognised the school is making good progress in all of the above.
