Dear Parent/Carer

**Re: COVID-19 Welsh Government directive**

Following yesterday's announcement from the Education Minister, Llanwern High School will remain closed to all pupils until further notice. This is a very troubling and worrying time for all of us, our students and our families.

The directive for re-opening will be given by Welsh Government, but to be clear, at this point in time, I remain unable to confirm the date of the school re-opening.

Rest assured, teachers are doing all they can to ensure that all year groups have a comprehensive range of resources for each subject on Google Classroom. For those students unable to access Google Classroom, hard copy resources have been made available for collection today as per the update sent out yesterday.

Sixth form communications will be co-ordinated by Head of Sixth Form, Mrs Brassington.

There are many questions for us all and unfortunately we have no further details at this time. As soon as we have further information we will be letting students, parents and carers know the updated position.

We will communicate further information via email and:
