

7th September 2020

Dear parents / guardians

It was lovely to welcome pupils in all year groups back today.

As you know we staggered the entrance this morning to allow pupils an opportunity to adjust to the allocation of outside spaces and the routine of lining up in an orderly manner with their Head of Year and form tutors overseeing.

As this worked very well, we have taken the decision to continue with a staggered entrance for the remainder of this week and will let you know towards the end of the week the arrangements for week beginning 14th September.

Arrival times for the remainder of **this week** will be as follows:

Year 7	8.30 am
Year 8	8.45 am
Year 9	8.45 am
Year 10	8.45 am
Year 11	8.30 am
Years 12 & 13	8.30 am

Masks

As explained in previous correspondence, we have issued masks to pupils this morning, but as from next week, pupils will need to bring their own.

Our approach to mitigating, as far as possible, the risks associated with the virus needs to be flexible and responsive - not only to what does or doesn't work for us in our school community, but also in response to the way the virus is behaving.

As always, any questions, please feel free to contact me at the school.

Kind regards

Mrs T Jarvis
Headteacher
