20th October 2020

Dear parents/carers

Following the Welsh Government's announcement yesterday, I have received communication from the local authority and can confirm that families eligible for free school meals will receive a food voucher via email on Wednesday 21st October. The voucher can be redeemed in Asda, Tesco and Sainsbury's supermarkets.

If you do not have an email account, are concerned that we do not have your correct email address, unsure if you are eligible or you do not receive this voucher, please contact the school please contact us on 01633 411116 or email llanwernmail@llanwernhigh.org.

There will be just one voucher drop which will cover the half term break and the week beginning the 2nd November for pupils who are self isolating or those in year 9 and above who are required to complete distance learning that week.

For queries regarding the food vouchers scheme please email: education.business@newport.gov.uk

I can also confirm that home to school transport for the week beginning 2nd November will continue to operate as normal and exams scheduled for that week will take place as planned too. Specific details regarding examinations will be communicated to those that require that information before the end of this week.

Further communication will be sent tomorrow outlining the plan regarding distance learning for those pupils in Y9 and above who are required to complete distance learning the week beginning the 2nd November.

Yours faithfully

Mrs Jarvis
Headteacher
