19th November 2020

Dear Parent/Carer

I'm sure that you are very concerned about your child missing out on school whilst they self-isolate. However, this letter is to let you know that we will be doing everything we can to make sure that we minimise the impact this period will have on your child's learning.

You will already have received a study planner for Wednesday, Thursday and Friday of this week. From Monday, your child will be able to follow their usual Week 2 timetable through Google Classrooms with support from their classroom teacher. Here is the link to their timetable for next week: [Year 11 Timetable Wk 2](#)

There will be some opportunities for live lessons through Google Meets so it is really important that you complete the form below so that your child can be invited via their Google Classroom and attend. **If we do not have consent, they will only be allowed to access the resources.** If a lesson is not live, your child's teacher will still be available in the Google Classroom to answer any questions during the lesson time.

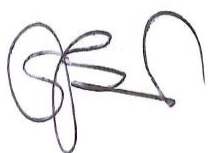

This is the [Live lesson consent form](#)

We will send out details of which lessons will be live next week tomorrow. . If they have completed the consent form, they will just need to click on the link in their Classroom.

Please encourage and support your child to complete their online work at home. Everything they need, including help videos, can be found on this [website](#).

If you have any questions, please do not hesitate to contact their individual teachers or Head of Year, Miss Thomas.

Yours faithfully

Sian Smith
Deputy Headteacher
