17th December 2020

Dear parents / carers

Following direction received from the Local Authority today, I can confirm that when the new school term starts on Monday 4th January, and up until the end of that first week, pupils will need to continue to work from home, accessing resources online via Google Classroom on Monday 4th and Tuesday 5th January, with the addition of live lessons to be made available from Wednesday 6th January.

The Local Authority recognises that levels of covid transmission are currently increasing within communities and there is concern over these rates of transmission increasing further following the Christmas period.

The continuation of remote learning for all pupils for the week beginning Monday 4th January is a decision made across all Newport schools in order to respond to this situation and to try to help with reducing transmission.

There will be an opportunity for children of key workers and those children who require specific support to attend school from Wednesday 6th January, but more detailed information regarding these arrangements will follow in due course.

Currently, it is the intention that face to face teaching will resume for all pupils on site from Monday 11th January.

As always, I will endeavour to keep you informed and as up to date as possible as we move forward.

Stay safe.

Kind regards

Mrs Jarvis
Headteacher
