

30th November 2020

Dear Parents/Carers

Teaching and Learning during the Year 8 self-isolation period

Your child will now have access to our **isolation** Google Classrooms.

They will have a study planner. The study planner has **two sessions a day** - a morning and afternoon session - and will cover the curriculum over the course of the fortnight.

The study planner for this week will be circulated tomorrow at 9am, and it will also be available to access on our isolation [website](#) and social media platforms (Facebook: Llanwern High School and Twitter: @Llanwen_High). It is a hyperdoc with links that will take your child straight to the relevant Google Classrooms - please make sure they are signed in with their Llanwern school email.

We recommend that your child logs on at 10am for the morning session and 2pm for the afternoon session. This is because we will have **subject specialists online** at these times, for an hour, to be able to respond to any issues they might have with the work. They will be able to use class, or private, comments for their questions.

If you have any issues with the work please contact the school through the Year 8 Head of Year, Miss Ball on nball@llanwernhigh.org or alternatively contact your child's class teacher.

Thank you for your continued support.

Yours faithfully

Ms Smith
Deputy Headteacher
