

11th December 2020

Dear Parents/Carers

Distance Learning

Following the announcement from the Welsh Government yesterday, your child will be required to carry out distance learning from Monday 14th December, to the end of term on Thursday 17th December. During this period, your child is required to follow their normal timetable. Resources and assignments for lessons will be uploaded onto their subject Google Classroom with some lessons being delivered live. Where the lesson is not live, a subject specialist teacher will be available to support your child via comments/private comments in the Google Classroom for the duration of the lesson.

Please note:

- If one of your teachers is offering a live lesson, the [consent form](#) will have to have been completed prior to the lesson or they will not be allowed to join
- If you do not have a live lesson, please follow the timetable below through Google Classrooms as usual - your teacher will be available to support you live through the comments/private comments/email facility
- Remember that there are help videos on the Hybrid Distance Learning [website](#)

Please find below your child timetable for the week . The lessons being delivered live have been identified.
