

Good morning Parents/Carers

During this period of isolation, your child will follow their normal timetable. Please find below the timetable for week commencing the 7th December.

Some of the lessons on the below timetable will be live lessons - details of these will be sent to you shortly.

Please note:

- If one of your teachers is offering a live lesson, the [consent form](#) will have to have been completed prior to the lesson or they will not be able to join
- If you do not have a live lesson, please follow the timetable below through Google Classrooms as usual - your teacher will be available to support you live through the stream/private comments/email facility
- Remember that there are help videos on the Hybrid Distance Learning [website](#)

The first lesson today will start at 9.50am following an extended form time on the Head of Year Classroom.

**Please note, as the year group is split into two bands (P and Q), it is necessary for you to know which band and set (P1 for example) your child is in. The whole year group have science lessons at the same time.*
