

Dear Parents/Cares

Teaching and Learning during the Year 8 Distance Learning

Your child will now have access to our **isolation** Google Classrooms. Any other Google Classrooms they use whilst in school have been archived for this 7 day period.

They will have a study planner. The study planner has **two sessions a day** - a morning and afternoon session - and will cover each of your child's subjects over the course of the fortnight.

The study planner for this week is below, and it will also be available to access on our social media platforms (Facebook: Llanwern High School and Twitter: @Llanwen_High), as well as on our website. It is a hyperdoc with links that will take your child straight to the relevant Google Classrooms - please make sure they are signed in with their Llanwern school email.

Information and help can also be found on our [Distance Learning website](#):

This is because we will have **subject specialists online** at these times, for an hour, to be able to respond to any issues they might have with the work. They will be able to use class, or private, comments for their questions.

If you have any issues with the work please contact the school through the Year 7 Head of Year, Miss Ford bford@llanwernhigh.org or alternatively phone us on (01633) 411116.

Yours faithfully

Ms Smith
Deputy Headteacher
