

Dear Parents/Carers

Distance Learning - Sixth Form

Following the announcement from the Welsh Government yesterday, your child will be required to carry out distance learning until at least the 18th January. During this period, your child is required to follow their normal timetable. Resources and assignments for lessons will be uploaded onto their subject Google Classroom with some lessons being delivered live. Where the lesson is not live, a subject specialist teacher will be available to support your child via comments and private comments in the Google Classroom for the duration of the lesson.

Please note:

- If one of your teachers is offering a live lesson, the [consent form](#) will have to have been completed prior to the lesson or they will not be allowed to join
- If you do not have a live lesson, please follow the timetable below through Google Classrooms as usual - your teacher will be available to support you live through the comments/private comments/email facility
- Remember that there are help videos on the Hybrid Distance Learning [website](#)

Please find below your child timetable for this week. The lessons being delivered live have been identified.

If you have any concerns about the work or would simply like to check something, please contact the Head of Sixth Form, Ms Brassington nbrassington@llanwernhigh.org or contact the subject teacher. A timetable identifying live lessons for next week will be circulated towards the end of this week.

Thank you for your continued support.

Yours faithfully

Ms Smith
Deputy Headteacher
