

Dear Parents/Carers

**Distance Learning Year 10**

Following the announcement from the Education Minister for Wales today, your child will be required to carry out distance learning until at least the 29th January. During this period, your child is required to follow their normal timetable. Resources and assignments for lessons will be uploaded onto their subject Google Classroom with some lessons being delivered live. Where the lesson is not live, a subject specialist teacher will be available to support your child via comments and private comments in the Google Classroom for the duration of the lesson. Your child must use their Llanwern accounts to login.

Please note:

- If one of your teachers is offering a live lesson, the [consent form](#) will have to have been completed prior to the lesson or they will not be allowed to join
- If you do not have a live lesson, please follow the timetable below through Google Classrooms as usual - your teacher will be available to support you live through the comments/private comments/email facility
- Remember that there are help videos on the Hybrid Distance Learning [website](#)

Please find below your child timetable for this week. The lessons being delivered live have been identified.
