Dear Parents/Cares

Year 8 Distance Learning

Please find below your child's study planner for the week commencing the 1st March.

As you will be familiar with, the study planner has **two sessions a day, some of which will be delivered live**. If you do not want your child to participate in a live lesson please let us know by emailing llanwernmail@llanwernhigh.org. If we do not hear from you we will assume that you are happy for your child to participate.

Sessions with online teacher support will run at **10am and 12.20pm Monday to Thursday, and 10am and 1pm on Friday**. This does not mean that your child cannot complete tasks outside of these supported hours; in fact the tasks will often require this extra work and study. Also, although there are deadlines for the work, this does not mean that your child cannot submit work if the deadline has passed.

Access to live lessons will only be given with a Llanwern email address. If you have misplaced your login details please contact us and we can reissue these to you.

Information and Google Classroom help can also be found on our [Distance Learning website](#).

Code to access the lessons can be found below.

We recommend that your child logs on to both sessions. This is because we will have **subject specialists online** at these times, for an hour, to be able to respond to any issues they might have with the work. They will be able to use class, or private, comments for their questions.

If you have any concerns about the work or would simply like to check something, please contact the Head of Year 8, Miss Ball nball@llanwernhigh.org.

Thank you for your continued support.

Yours faithfully

Ms Smith
Deputy Headteacher
