3rd March 2020

Dear Parents/Carers

I was very pleased to hear the Welsh Government announcement today which indicated that schools, in addition to welcoming back Y11 and Y13 on Monday 15th March, will also have the option to allow all pupils the opportunity to access wellbeing check-ins ahead of the Easter holidays.

Although pupils won't be accessing school full time before the Easter break, being able to plan for all pupils to attend school in some form or another over the fortnight before the two week break is most welcome.

I expect more details to be published over the next couple of days and a full review of the Welsh Government's operational guidance will also need to be completed in order to aid the planning process.

I am hopeful though that I will be able to get back in touch by the end of the week with more specific details of what this part time flexible return to school looks like for all pupils.

Yours faithfully

Mrs Jarvis
Headteacher
